

# MARIUM TABASSUM

WEB DEVELOPER • FRONTEND DEVELOPER • SE INTERN

## ◆ PROFESSIONAL SUMMARY

Detail-oriented and motivated Software Engineering student with a strong foundation in front-end web development. Currently pursuing a 3-year diploma in Software Engineering (1st semester completed), with practical exposure to HTML, CSS, Bootstrap, basic JavaScript, and jQuery. Actively expanding technical skills through ongoing courses in Python and Generative AI. Known for quick learning, attention to detail, and a strong commitment to growth. Seeking an opportunity as a Web Developer, Frontend Developer, or Software Engineering Intern to apply and further develop technical skills in a professional environment.

**Religion:** Islam

## ◆ ABOUT ME

A motivated and detail-oriented Software Engineering student currently in my 1st semester of a 3-year diploma program. I have hands-on foundation in HTML, CSS, Bootstrap, basic JavaScript and jQuery, and I am actively expanding my skill set with Python and Generative AI. Eager to apply my growing frontend and problem-solving skills to real-world projects as a Web Developer, Frontend Developer, or Software Engineering Intern, while continuing to learn and grow in a professional environment.

## ◆ ACEDMIC PROJECTS/ ACEDMIC LEARNING (ONGOING)
